

INSTITUTE OF CERAMIC TECHNOLOGY-A PROFILE

Established in 1964, the Institute of Ceramic Technology (ICT), Vriddhachalam, Dist. Cuddalore, Tamil Nadu is offering a programme on Ceramic Technology and catering to the shop-floor manpower needs of Ceramics, Glass and Refractory manufacturing industries. Acquiring additional qualifications, such as M. Tech, PhD., MBA etc., a sizeable segment of ICT graduates have occupied higher technical and managerial positions, both in India and abroad. ICT is one of the few Institutes in the country which offer courses on ceramics and refractory processing. Since inception, till-date, the Institute has shaped over 1500 diploma level engineers and technologists who have immensely contributed to ceramics and refractory manufacture. At present, every year 50 students are admitted in the first year of 3½ year programme.

INSTITUTE OF CERAMIC TECHNOLOGY ALUMNI ASSOCIATION - ICTAA

ICTAA is the Alumni Association of the Institute of Ceramic Technology (ICT) Vriddhachalam, Tamil Nadu. The enthusiasm and willingness of several individuals (over 400 ICTians) lead to take an organizational initiative which resulted into forming a registered body in the form of a professional association.

AIMS AND OBJECTIVES OF ICTAA

- To meet and share the experiences of the ICT Alumni in their professional and personal lives; To appreciate the contributions of the ICT graduates in promoting the science, technology and art of Ceramics manufacturing, world over.
- To work as a common platform to reach out national and international ICT alumni to interact with institute, industry and R&D.
- To extend the help to the students of ICT for placement and industrial training.
- To assist the start-ups to promote ceramic enterprises.
- To encourage meritorious students of ICT by way of awarding prizes, each year. To recognize academic, professional and other achievements of the alumni.
- To organize programmes, technical meets/ seminars/ brainstorming sessions/get together/ press conferences and other lawful gatherings, from time to time.
- To interact and sustain a sense of belonging through mutually beneficial contacts. To foster linkages amongst the alumni and promote personal and friendly relations through meetings and get-togethers, tours/ trips etc.
- To facilitate and encourage alumni to contribute towards improvement of the students of the ICT. To extend every possible help for furthering the cause of the ICT as an Institution of excellence
- To generate a 'Brain Bank' of the professionals from amongst its members and provide services for the benefit of the Alumni and the society in general.

To undertake all such activities as are incidental or conducive to the attainment of the above aims and objectives and any other objectives in the interest of society as decided from time to time.
